Pine Spring  
Est. 1952

### PRESIDENT'S MESSAGE

Dear Pine Spring neighbors,

The time has finally come for a neighborhood gathering! I hope you and your families will join us on Saturday, August 28 in the Cedar Hill cul-de-sac for an outdoor evening of food, fun, and reconnection. Thanks to ad revenue from our new Directory this year, we are able to offer the neighborhood some extra fun with a food truck, which we think is a better idea these days than a buffet-style potluck. Please flip this Parade over for more party details, which you can also find on our community website <https://www.pinespring.org/>.

Read on for more neighborhood happenings, and please keep in touch with your PSCA officers with any questions or ideas for life here in Pine Spring!

Yours,  
Jenn Stofferahn  
PSCA President

### TRAFFIC CALMING UPDATE:

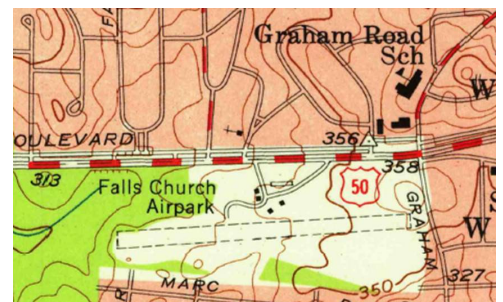

Following this spring's ballot initiative, the county's measure to provide Pine Spring Road with three speed humps has been approved. The county reports that we should expect installation of the humps around October of this year. Thank you to all who participated in the vote on this important safety and quality of life issue in our neighborhood.

### BLOCK CAPTAINS STILL NEEDED - PLEASE!

If you live on Meadow View Road or north of the stop sign intersection on Pine Spring Road, we need YOU! We are still missing block captains for areas 6, 7, and 8 in the neighborhood. The block captain role is simple and not time intensive. If you can take a 30-minute walk four times a year, you can represent your area as block captain. PLEASE let us know if you can help by emailing: [pinespringcivicassociation@gmail.com](mailto:pinespringcivicassociation@gmail.com).

### DID YOU KNOW?

The land south of Arlington BLVD in the vicinity of Graham Road was formerly the site of the Falls Church Airpark. It primarily catered to general aviation hobbyists and civil defense. If you look closely on this 1955 USGS map, you can see the roads of Pine Spring in the upper left. For more, visit the Wikipedia page: [https://en.wikipedia.org/wiki/Falls\\_Church\\_Airpark](https://en.wikipedia.org/wiki/Falls_Church_Airpark)
